COVID-19

YOUR HOME, YOUR RULES

Our designers and affiliates have no qualms wearing a facemask. Please let us know before a meeting if you would like us to wear a mask in your home or at a meeting.

OPEN BORDERS

From February 5th, 2022 our designers and affiliates may attend your site with facemarks. This is to protect our clients, our families, ourselves from all variants of Covid-19

LOCKDOWN PREPARED

We are more than happy to arrange Zoom, Teams, Messenger, FaceTime meetings if there is a lockdown, or if you prefer a non-contact meetup. We can arrange to have samples and paperwork dropped at your home beforehand.

VACCINATIONS

Kristie, Jess & Jade are all doubled vaccinated and will ensure we will get the booster shots when required. We are all happy to show vaccination certificate upon request.
